

Reopening VES Fall 2020

Minimal/No virus spread

Transportation

K-8 busses up to full capacity with masks or face coverings
Controlled loading/(sanitizer use) unloading of riders
Assigned seating with siblings, same household or single seats.
Adjusted bus runs as needed.
Busses cleaned before and after each run

Cleaning Procedures

Increased cleaning and sanitization protocols
Use of approved disinfectant
Cleaning of high touch areas throughout the day (bathrooms, door knobs, surfaces)
Frequent hand washing and/or hand sanitizer by students and staff

Classroom Instruction

Students attend 5 days per week
Desks separated at maximum distance of 6ft, as feasible. All desks face same direction.
Students grouped in cohorts
1:1 devices for grades 3-8
Access to remote learning as needed

Remote Learning Track

Students with health concerns, illness, or quarantine, or by parent choice will participate
Weekly plans and support provided
State of Connecticut Remote Learning Hub access

Preventative Strategies

Masks worn by staff and students at all times, unless a medical reason is noted
Reinforcement/teaching of hygiene habits
Hallways and common areas marked 6ft and with appropriate signage
Group gatherings/events limited or postponed

Lunch and Recess

Lunch provided in classrooms/outside
Cleaning desks before and after eating
Hand washing and/or sanitizing before and after eating and recess
Recess in designated locations with classroom specific equipment
Equipment cleaned after each use
