

Dear Parents and/or Guardians,

State laws require schools to provide parents, guardians, students and the public with information that pertains to policies or public notices at the beginning of each school year. The attached Student/Parent Handbook has been updated to assure consistency with changes in board policies, regulations, new state and federal requirements, and changes in local procedures and practices.

In order to verify receipt of this information, parents/guardians are directed to sign this form and return it to school to signify you have read and reviewed the handbook with your child. Information is also available on our school website. Please take the time to complete this form by initialing each item below and signing your full signature on the appropriate spaces.
