The Youth Service Bureau assists our town with parent training opportunities; programs to develop positive youth involvement; youth suicide, violence, alcohol and drug prevention programs; outreach programs; increased community involvement; and more. The YSB mission is to identify the needs of our community, facilitate to implement services and programs that foster positive development in our youth and enable them to become responsible members of our community. The Bureau plans, evaluates, coordinates, and implements resources and opportunities for our youth and their families. (Approved 9/9/14 and 8/12/20)

The Local Prevention Councils are advisory in nature and reflective of the community's racial/ethnic, political, and economic diversity. Councils include representation from professionals working in the prevention field in general and ATODA prevention in particular, including representation from volunteer groups to focus on ATODA prevention. Eligible grantees are required to demonstrate the support and involvement of elected officials and meet on a quarterly basis to review issues and develop a comprehensive plan of action. (Approved 8/12/20)

(ASB, DCL, and DSJ on 2/18/24)
